## Sunday, April 4th: Easter Sunday

### Easter Sunday: The Day that Changed Everything.

Mary Magdalene arrived at the tomb early in the morning. It was most likely a dreary place, cold and damp and dark. We can only imagine her thoughts:

“How strange! An empty tomb. Jesus tomb is empty this morning - I wonder what happened.... There were people here yesterday and a huge boulder was placed over the opening of the tomb. There were soldiers guarding it because of the crowds. Has someone stolen the body? How awful.”

She only thought that they have taken him. **She didn't know that Jesus was risen from the dead, that changed was now changed in the world.**

**Fr. Robert Barron** writes that there are some doubting Thomases of faith around today “who want us to believe that the story of the resurrection is just made up and that dying and rising gods that can be found in many ancient cultures”. Nothing could be further from the truth. A careful reading of the Easter accounts shows that they have to do with a very particular, historical individual and with a very particular, unrepeatable event.

“Easter is the dawn of a new creation. St. John tells us that Mary Magdalene came to the tomb early on the morning of the first day of the week. **This is meant to call to mind the first day of creation, when God said, ""Let there be light"" and brought order out of chaos. The meaninglessness of death, brings eternal life in God. This is the central and revolutionary message of Easter**” (www.wordonfire.org).

**Remember Susan Boyle's amazing win last year.** Those first words she sang: “I dreamed a dream in times gone by....” Against all the odds something amazing happened to Susan, to YouTube and to the world.

The Resurrection is a bit like that. New life for the world. Hope is reborn.

**The Catholic Faith is a radical faith.** Belief in the true presence of Christ in the Body and Blood is radical. It is not something we should consider lightly. **We stake our very lives on the truth that Jesus risen from the dead and that He is Our Lord and Savior.**

## Domingo, 4th de April, 2010: Domingo de Pascua

### Domingo de Pascua: El Dia que todo Cambio.

Maria Magdalena llego a al tumba muy temprano en la mañana. Es muy probable que era un lugar melancolico, humedo , frio y obscure. Solo podemos imaginar sus pensamientos.

“ Que extraño! Una tumba vasia. La tumba de Jesus esta vasia esta mañana - ¿Que pasaria? .... Habia gente aqui ayer y una piedra grande tapando la tumba. Habia soldados cuidando la tumba porque habia multitudes de gentes. Alguien se robaria el cuerpo? Que horrible!”

Maria Magdalena penso solamente que se habian llevado el cuerpo. **No sabia que Jesus habia resusitado.**

El **Padre Roberto Barron** escribe que hay dudas, hoy en dia “quien quiere que creamos la historia de la resurreccion esta hecha por nosotros y que un Dios que muere y resusita se puede encontrar en culturas antiguas. Nada puede estar mas lejos de la verdad. El cuento de Pascua ensena que se trata de un individual particular, historico con un evento que no se ha repetido.

La Pascua es el amanecer de la nueva creacion. San Juan nos dice que Maria Magdalena vino a la tumba muy temprano en la mañana el primer dia de la semana. **Esto es para recontar el primer dia de la creacion, cuando Dios dijo, “” Que se haga la luz””y trajo la calma al chaos. Este es el mensaje central y revolucionario de Pascua.**

**La Fe Catolica es una fe radical.** La creencia en la verdadera presencia de Cristo, en el Cuerpo y Sangre es totalmente radical. No es algo que podemos tomar ligeramente. Nosotros apostamos que Jesus a resusitado de la muerte y que El es Nuestro Dios y Salvador.

*Fr. McCaffrey*

## School News

Thank you so much to all who helped make the celebration of our 50th year as a school such a memorable success! Although the school has been celebrating a little bit each month, our BIG event on Feb. 13 was so well attended! We had alumni, current families and plenty of faculty and staff on hand to enjoy the Open House, memorabilia in Sharpe Hall and a beautiful Mass with reception afterwards. In March, we celebrated our 50th year by having a month of service. A group of students, parents, alumni, faculty and board members made and served 40 lunches to Habitat Workers at a nearby Glendale home being built. Our Student Council held a canned food drive for our St. Vincent de Paul Society and students participated in Operation Rice Bowl as well as other service projects around our school! We want to wish all of you a BLESSED EASTER from our school!
